

Admissions & Fees Policy

Undergraduate admissions are based on a combination of entrance exam score (60% weight) and Class XII marks (40% weight). Applications open in March each year and close in June; exact dates are published on the university website annually.

Tuition fees are billed per semester and vary by program. Engineering programs are ₹1,25,000 per semester, Management programs are ₹95,000 per semester, and Science programs are ₹80,000 per semester. A one-time admission fee of ₹25,000 is charged in the first semester only.

Students may pay tuition fees in full at the start of the semester, or in two installments: 60% due at the start of the semester and the remaining 40% due 8 weeks later. A late payment fee of 2% of the outstanding amount per week applies after each due date.

Merit scholarships covering 25% to 100% of tuition are available based on entrance exam rank and are renewed each year contingent on maintaining a minimum GPA of 7.5 out of 10.

Refunds for withdrawal before the semester start are processed at 90% of fees paid. Withdrawal within the first 2 weeks of the semester qualifies for a 50% refund. No refunds are issued after week 2.
